Dear Harry:

I have just returned from a European trip and found your good letter of September 23. I wish I could be with you at the Union Club on October 14, but unfortunately I cannot get away at that time. I must be in New York on the evening of October 15, for a talk I am making to the Bar Association, but that makes it impossible for me to get away the previous day.

Let me know some time how everything is going at the country house.

Sincerely,

Allen W. Dulles
